

Estimates are based on research conducted by the Small Arms Survey. They do not necessarily imply the endorsement of any state.

The composition of sub-regions is based on the classification system used by the UN Statistical Division (UNSD, October 2013 revision). The boundaries, country names, and designations on these maps do not imply the endorsement of the Small Arms Survey.

Population rates are cited from World Population Prospects: The 2015 Revision (UNDESA, 2015).
