Humanium Metal, the Small Arms Survey, and UNIDIR request the pleasure of your company at the following side event during the Fifth Conference of States Parties to the Arms Trade Treaty:

**PREVENTING DIVERSION THROUGHOUT THE LIFE-CYCLE**

**Wednesday 28 August 2019**  
13.15 – 14.45  
**Room 6, Centre International de Conférences Genève (CICG)**  
Geneva, Switzerland

This side event will provide space for a discussion on the contributions that can be made by industry, governments and non-governmental organizations to prevent the diversion of conventional arms throughout the life-cycle, from manufacture to disposal.

Panellists will introduce specific examples of measures that can be taken to mitigate the risk of diversion at different stages in the transfer chain. The panel will bring together experts from diverse fields, including international acknowledged experts on diversion, a producer and civil society actors who will present tangible solutions to improve measures against diversion.

We very much hope that you will be able to attend and partake in the discussions following the presentations. We look forward to seeing you.

**SPEAKERS**  
Robert Kondor (Dynamit Nobel)  
Sebastian Wilkin (UNIDIR)  
Dina Martinez (Fundación de Estudios Para la Aplicación del Derecho)  
Peter Brune (Humanium Metal Advisory Board)

**CHAIR**  
Paul Holtom (Small Arms Survey)

A light lunch will be available for those attending the side event.
