

FROM SILOS TO SOLUTIONS

Leveraging interagency cooperation to prevent arms-related gender-based violence and violence against women and children

Side Event to the Arms Trade Treaty Working Group Meetings discussing:

- What actions taken within other Geneva-based mechanisms could support the implementation of the Arms Trade Treaty in its efforts to prevent arms-related gender-based violence and violence against women?
- How can ATT States Parties better draw on the work of other Geneva-based mechanisms when it comes to gender-based violence and violence against women and children in its efforts to ensure effective treaty implementation and treaty universalization?
